I'd like to request half with him (and MDEQ and the city) prior to the press arriving. So, meeting the congressman at any time around 10:30 or 11 eastern would be great.

Early works. I'd like to settle this quickly though as I haven't shared the date with either Senator's office or City yet.

Monday?

That works for me. We get out of the city early and miss traffic.

I'll plan on taking home a vehicle before memorial day and can pick up people along the way to Kalamazoo from the northern suburbs.

I'd prefer an earlier start like 10:30 or 11 EST as I would like to get back by around 4:30. Let's discuss as a group the logistics before we firm up a time with others. Thanks.

We haven't set it yet. We were thinking mid-day or later so we could drive up Tuesday morning.

What time is the event for?

There is little flexibility with the date since we are working with the Congressman and Senator's availability and both the House and Senate are in recess that day. Rep. Upton's staff called to let me know that is the date he can go.

I thought you were in the loop on this, but that may be my mistake.

Do you know the tentative time for this event? Is this date the only date in the mix? Can it be moved to another date as it is not a very good date for me.

Rick

As follow up to my vm message this morning... Susan approved the May 27 Allied Paper LF tour for Congressman Upton (and maybe Senator Levin) with press coverage with the condition that you participate. Are you able to participate in a May 27 tour event? My understanding is that this date has been discussed but not yet committed. I am off tomorrow but phone #has been forwarded if you would like to chat.
